My Account

Customer Support Manual

How Can I Delete My Account?

If you wish to deactivate or delete your account, please contact our customer support team. They will guide you through the process and confirm the request once completed.

How Can I Manage My Communication Preferences?

You may manage your communication preferences from your account dashboard. You can choose to receive updates about:

- Order confirmations
- Shipping notifications
- Promotions and special offers

You can update or unsubscribe from promotional emails at any time

How Do I Reset My Password?

If you forget your password:

- Click on Forgot Password on the login page.
- Enter your registered email address.
- Follow the instructions sent to your email to create a new password.

For security reasons, choose a strong and unique password.

How Can I View My Order History?

All your previous and current orders are available in the My Orders section. Here you can:

- View order details
- Track shipment status
- Download invoices
- Check payment status

How Can I Update My Personal Information?

You can update your personal details at any time by:

- Logging into your account
- Navigating to the Profile or Account Details section
- Editing your name, contact number, or email address
- Saving the updated information

Keeping your details up to date ensures smooth communication and delivery.

How Do I Log In to My Account?

To access your account:

- Click on the Login option.
- Enter your registered email address and password.
- Click Sign In to access your dashboard.

If you experience login issues, please ensure your credentials are correct or reset your password.

How Do I Create an Account?

Creating an account with MR Brands allows you to enjoy a faster and more personalized shopping experience.

To create an account:

- Click on the Account or Sign Up option on the website.
- Enter your name, email address, and create a secure password.
- Submit the details to complete your registration.

Once registered, you can manage orders, save addresses, and access your purchase history easily.

How can I delete my customer account?

Please send us a request directly through our helpdesk and we will take care of deleting your personal data and your account (except for the data that we are allowed or required to store permanently for legal reasons).

Please note: You will lose the benefits of your VIP account. So maybe you'd rather just unsubscribe from our newsletter?

How can I unsubscribe from the newsletter?

You have the option to unsubscribe directly in every newsletter email by clicking "Unsubscribe" at the very bottom of the footer. If you also don't want to receive any more mailings from us, just send us a message via our helpdesk under "My account / Newsletter" and we will take care of the rest. Please be patient after unsubscribing and give us 48 hours for the complete system update :)

How can I add, edit or remove an address in my account details?

You can adjust your address in your customer account under "Personal data" - "Addresses" or change it completely. Please note: If you discover an error in your address in an order you have already placed, you can only use the various delivery options through our delivery partners. To do this, click on your tracking link, which you will receive within the shipping confirmation.

I've forgotten my password.

Don't worry! In the account section, click on "Forgot your password?", enter your email and click on "Send". You will receive an email with further instructions to create a new password. If you do not receive this email we suggest you check your junk email folder.

How can I see my orders history?

You can view your order history in your customer account under "My orders". Here you will find all orders that you have placed with your account or the associated e-mail address. You don't have an account yet? Then register now - exclusive discounts and promotions are waiting for you! Just click on the little man at the top of the navigation bar and create an account. As soon as you have received and confirmed the activation email from us, you can log in.
