SECTION 1. COMPANY OVERVIEW

Mr. Brands is a family-owned wholesaler and distributor based in Bristol, Pennsylvania. The company emphasizes personalized service for every customer, regardless of order size.

Mr. Brands distributes general merchandise and everyday products throughout the United States. It is the exclusive licensee of Simoniz products and also distributes other major brand-name products.

Products offered by Mr. Brands are described as authentic and sourced from trusted suppliers.

Sold-out products and restocking

Popular sold-out items may be restocked depending on availability. Customers may check the product page periodically or contact customer support for an update.

Contacting customer support

Customer support can be reached through the contact form or email option available on the website. Include the order number, when available, to help the support team identify the purchase faster.

SECTION 3. REFUND AND RETURN POLICY SUMMARY

Mr. Brands does not normally issue direct refunds for covered warranty claims. When a product issue is confirmed and covered by warranty, the standard remedy is repair or replacement rather than a refund.

For purchases made within the last 30 days, refund and return requests must be directed to the original point of sale. This may be a physical retail store, Amazon, Walmart, or another third-party online marketplace.

In rare situations involving a major product issue, a refund may be considered as an exception. Every exception is reviewed individually, approval is not guaranteed, and the decision depends on the circumstances of the case.

IMPORTANT DISTINCTION

- Refund or change of mind: contact the original seller and follow that seller's return policy.
- Manufacturing defect: follow the 30-day defect process or the one-year warranty process, depending on the purchase date.

SECTION 4. FIRST 30 DAYS AFTER PURCHASE

Manufacturing defect within 30 days

If a unit fails because of a manufacturing defect within 30 days of purchase, return the unit to the retailer or online marketplace where it was purchased. The original receipt or other proof of purchase must be provided. The seller will handle the return under its own policy.

Customer no longer needs the product

A return caused by a change of mind or because the product is no longer needed must be handled by the original retailer or marketplace. Mr. Brands cannot directly process a change-of-mind return for a retail or third-party marketplace purchase.

Amazon, Walmart, or another marketplace

When a marketplace purchase is still within 30 days, the customer must use that marketplace's return process. Mr. Brands cannot directly process returns or refunds for orders placed through an external retailer or marketplace.

SECTION 5. ONE-YEAR LIMITED WARRANTY

The product is guaranteed to the original retail purchaser against defects in quality or workmanship for one year from the date of original retail purchase.

- Within 30 days: return a manufacturing-defect unit, with the receipt, to the original retailer.
- After 30 days but within one year: if purchased within the continental United States, an eligible unit may be returned to Mr. Brands LLC for repair or replacement.
- Outside the continental United States or from an unlicensed selling partner: return the unit to the place of purchase.
- After the warranty expires: Mr. Brands cannot provide a warranty replacement.
- Proof of purchase is required for all warranty claims.

SECTION 6. PURCHASE CHANNEL GUIDANCE

Physical retail store purchase

For a change-of-mind return, contact the physical retailer. For a manufacturing defect within 30 days, return the product and receipt to that retailer. After 30 days, if the product remains within the warranty period, repair or replacement may be available. If the retailer cannot help, contact Mr. Brands through the request form and provide the claim information listed in Section 7.

Online marketplace purchase within 30 days

For a product purchased through Amazon, Walmart, or another third-party marketplace within 30 days, process the return through that platform. Follow the return instructions in the marketplace account.

Online marketplace purchase after 30 days

A change-of-mind return is not accepted after 30 days. If there is a product problem and the product may still be within warranty, contact Mr. Brands through the request form and provide proof of purchase, purchase date, reason for the request, and photographs when the product is damaged or defective. The case will be reviewed individually.

Purchase outside the continental United States

If the product was purchased outside the continental United States, return the unit to the place of purchase for warranty handling.

Purchase from an unlicensed selling partner

If the product was purchased from an unlicensed selling partner, return the unit to the place of purchase.

SECTION 7. CLAIM AND REVIEW REQUIREMENTS

When the original retailer cannot accept the return, or when an after-30-day product issue requires review, the customer should provide the following information through the request form:

- Copy of the receipt or other proof of purchase.
- Date of purchase.
- Reason for the return or warranty request.
- Photographs of the product when it is damaged or defective.
- Order number, when available.

Each submitted case is reviewed individually. Submission of the information does not guarantee approval, a refund, repair, or replacement.

SECTION 8. WARRANTY EXCLUSIONS AND LIMITATIONS

The limited warranty does not cover damage caused by misuse, abuse, overheating, or alteration. Repairs performed by anyone other than Mr. Brands LLC are not covered. Mr. Brands LLC is not liable for losses caused by neglectful operation.

All applicable implied warranties, including merchantability and fitness for a particular purpose, are limited to one year from the original retail purchase date. Some states do not allow limits on the duration of implied warranties, so this limitation may not apply in every state.

Incidental or consequential damages arising from a breach of an express or implied warranty are disclaimed and excluded. Some states do not allow the exclusion or limitation of these damages, so the exclusion may not apply in every state.

All warranty liability ends when the warranty expires. No other warranties are expressed or implied. The warranty gives the purchaser specific legal rights, and other rights may vary by state. No informal dispute settlement mechanism is available.
